

Senior Program Manager

Title: Senior Program Manager

Location: Bethesda, MD

Reports to: Executive Director

Type: Full-time

Our Mission: Rock Creek Conservancy exists to restore Rock Creek and its parklands as a natural oasis for all people to appreciate and protect.

Position Overview:

The Senior Program Manager will, with support of the Stewardship Manager and the Downspout Disconnect Manager, to develop and advance effective programs and policies that protect and improve the health of Rock Creek and its parklands. Using the organizational Strategic Plan as a guideline, the Senior Program Manager is responsible for overseeing the management of the Conservancy's restoration and stewardship activities, including restoration of forest health and efforts to directly, and through convening or advocacy, to reduce damage from stormwater runoff while cultivating environmental stewardship and engage community members in the restoration work. The Senior Manager assists with the all of Conservancy's program activities and ensures success of organization goals.

The candidate should have a working knowledge of the cultural and ecological landscape of the Rock Creek Watershed; experience developing and implementing restoration and conservation initiatives, and a demonstrated ability to work respectfully with local partners, organizations, individuals and others to advance environmental protections. Valid driver's license, ability to juggle multiple priorities, and comfort working in a fast-paced environment a must.

Major responsibilities:

- Manage Downspout Disconnection program
- Manage Restoration program, including habitat restoration, green infrastructure, and advocacy efforts
- Oversee Stewardship programs (volunteer and Rock Creek Conservation Corps)
- Organizational and administrative support, as well as program development.

Rock Creek Conservancy is an equal opportunity employer with a competitive benefits package. To apply, please submit a cover letter and resume to info@rockcreekconservancy.org with the subject line, "Senior Program Manager Application."
